

XEROX® VERSALINK® C7020/C7025/C7030 COLOR MULTIFUNCTION PRINTER

The Xerox® ConnectKey® Technology-enabled VersaLink C7000 Series Color Multifunction Printer offers flawless reliability, seamless integration and advanced productivity. Cloud connected, mobile ready, app-enabled, and easy to personalize, the C7000 Series is your modern workplace assistant—helping you excel today and stay ready for the future.

FLAWLESS RELIABILITY. SUPERIOR PERFORMANCE.

Right out of the box, you'll count on your Xerox® VersaLink C7000 Series Color Multifunction Printer to consistently and flawlessly perform the tasks that make your business work more efficiently. From IT-free installation wizards, to step-by-step configuration options, you're ready to go—hassle free.

Designed for superior reliability, the VersaLink C7000 Series features a new hardware design with fewer moving parts, strengthened paper-path components, and an advanced imaging system.

VersaLink devices are loaded with features and time-saving Xerox® technologies designed to speed up information sharing and reduce inefficient workflows. Ensure information accuracy with Scan and Fax preview, easily archive, organize and search with scanned documents with built-in optical character recognition (OCR).

When it comes to safeguarding critical information, VersaLink devices deliver a spectrum of stringent security features, including Secure Print and card authentication to control access.

Count on superior print quality to make your work look its best. A print resolution of up to 1200 x 2400 dpi delivers sharp text and fine line detail, plus exceptional color vibrancy, solid fills and skin tones.

CLOUD CONNECTED. PERSONALIZED EFFICIENCY.

With the VersaLink C7000 Series Color Multifunction Printer's oversize, customizable 7-inch color touchscreen, you can tap, swipe and pinch your way through tasks and functions with mobile-like ease.

Preloaded Xerox® ConnectKey® Apps help optimize office efficiency, and on-screen access to the extensive Xerox App Gallery provides expanded functionality—like the Xerox® Easy Translator Service app, which quickly translates scanned documents into numerous languages.

Speed through tasks by saving common settings as presets for simple, single-touch job setup. With Simple ID, individual users and groups enter a user ID and password once, and then enjoy fast, secure, easy access to task-specific presets and commonly used apps on a personalized home screen.

READY FOR THE WAY YOU WORK.

The VersaLink C7000 Series gives you the freedom to work where and how you want—with out-of-the-box connectivity to Google Drive™, Microsoft® OneDrive® and DropBox™, and access to additional options through the Xerox App Gallery.

The ability to connect and print from multiple devices is key for today's worker, and VersaLink devices meet the challenge with Apple® AirPrint®, Google Cloud Print™, Xerox® Print Service Plug-in for Android™, Near Field Communication (NFC) Tap-to-Pair and Mopria®, plus optional Wi-Fi and Wi-Fi Direct.

INTRODUCING MOBILE DEVICE-LIKE TOUCHSCREEN SUPERIORITY.

Meet our all-new, 7-inch color touchscreen—the user interface that sets a higher standard for customization, personalization and versatility.

By presenting a familiar “mobile” experience—with support for gestural input and task-focused apps that share a common look and feel—fewer steps are needed to complete even the most complex jobs.

A highly intuitive layout guides you through every task from start to finish, with a natural hierarchy placing critical functions near the top of the screen and commonly used options front and center. Don't like where a function or app is located? Customize the layout to make it yours.

This unmatched balance of hardware technology and software capability helps everyone who interacts with the VersaLink® C7000 Series Color Multifunction Printer get more work done, faster.
